Pastor Michael Silvey

Summertime is here, and many are on the move. One way to continue to grow spiritually even when you are on the move is by memorizing scripture. Hiding God's Word in our hearts is an essential part of your Christian walk. Having God's Word in our hearts is as necessary to our life as having breath in our lungs.

As we go about our day, we can recall memorized Scripture, and God will continue to speak to us and control us. Recalling scripture at different points of our day strengthens us and keeps us from getting bent out of shape.

God's Word memorized and meditated upon throughout the day will produce the following life-altering results:

- Leads you to good success (Joshua 1:8)
- Fills you with joy (Psalm 63:6-7)
- Makes you wiser than your enemies (Psalm 119:98)

- Gives you more understanding than your teachers (Psalm 119:99)
- Makes you wiser than the ancients (Psalm 119:100)
- Deepens your worship of God (Proverbs 2:5)
- Instills integrity and character (Proverbs 2:9)
- Strengthens your health (Proverbs 3:2)
- Makes you more peaceful (Proverbs 3:2)
- Grants you high esteem before God and people (Proverbs 3:4)

"Blessed is the man... [whose] delight is in the law of the Lord, and in His law he meditates day and night. He shall be like a tree planted by the rivers of water, that brings forth its fruit in its season, whose leaf also shall not wither; and whatever he does shall prosper." (Psalm 1:1-3)

May this season be a fruitful one as we all continue to grow in the Lord!

Worship Leader, Cory Fothergill

I wanted to use this space to give a written round of applause to those that serve alongside me in the ministry of musical worship each Sunday by playing instruments or working in the sound booth. I could not do the things I do without them, so if you see them on Sunday, please let them know how much you appreciate them as well.

There will be a few things happening over the month of July in our Sanctuary as we set about installing new video monitors (which should be a great improvement in projection clarity), purchase a new keyboard instrument to replace the organ (may she RIP...), and try to make improvements to our sound system. Please be patient with us as we are all going to be learning and trying new things with these systems. I am looking forward to these changes that will surely enhance our time together each week. I am grateful to those on the committee who have worked to make these things happen.

I leave you with the lyrics to a very old hymn that most may not know, but I pray this to be our aim each time we gather together for worship:

Let All the World in Every Corner Sing **(George Herbert—1633)**

Let all the world in every corner sing,
"My God and King!"
The church with psalms must shout:
No door can keep them out.
But, more than all, the heart
Must bear the longest part.
Let all the world in every corner sing,
"My God and King!"
