Pastor Michael Silvey

It's great to look out each Sunday and see new faces among us at Central! We've been blessed with regular guests on Sundays. We just completed another Membership

Central class, and several are considering joining our church. Pray for those seeking the Lord's will concerning their church home. The Lord has blessed us to have a church home like Central, and we pray He will add to us according to His will.

Our current Mid-week Bible Study series is a verse-by-verse study of the book of Daniel. Daniel's prophecy covers events going back 2,500 years ago and also predicts events extending into the future beyond our days. Daniel's life and prophecy gives us encouragement to know how to live as servants of the Lord in a pagan world. We, like Daniel, live in a captive world serving the God of heaven who controls all. May the Lord help us to live and serve as Daniel did. All the adults are invited to join us in the Fellowship Hall on Wednesdays at 6:30 p.m. as we continue this timely study.

Awana, our children's ministry on Wednesday nights, had a good start and is seeing increasing numbers. Hunter and Amy Mustain are doing a great job leading Awana, and I appreciate all the workers serving in Awana helping to disciple our children. Kids ages 3 thru 5th grade are welcome to join us on Wednesday nights for Awana.

The teens at Central are meeting regularly on Wednesday nights at 6:30. The Youth Team has planned regular events for our youth. I appreciate each of our volunteers working with the youth. Thanks to Dwight Ferrell for teaching the group this past Wednesday.

The Audio-Visual project has provided new equipment which has enhanced our worship services. Thanks to all who organized this project and to those who have given to the fund. As of last Sunday, all the funds needed to pay for the project have been received. Thank you to each one who gave sacrificially and generously!

May the Lord continue to bless each of you and our ministries at Central!
