Central
BAPTIST CHURCH

Pastor Michael Silvey

February is known in America as the month of love. Valentine's hearts and roses appear in the stores the month prior, and by the 14th, we all have spent more money than we realize.

Our love for one another is to be a priority, and so is our love for the lost world. Jesus said, "As the Father has sent Me, I also send you" (Jn. 20:21).

How are we sharing the gospel? Central is sharing the gospel each week with children and families through AWANA, with international children and families through the Christmas Shoeboxes campaign, with men in the community through the Friday Men's Study Group, with women in community through the Golden Girls Bible Study, and with those in prison through the Jail Ministry at Miller County Detention Center. Beyond that we support missionaries through the BMA of America which is sharing the gospel in almost 500 mission points around the world.

I'm excited to announce that a new ministry showing Christ's love will start at Central in February. Anita Welch has volunteered to coordinate the Central Quilting Ministry which will be making blankets and quilts for patients with long-term illnesses. I appreciate Ms. Anita leading this ministry of love.

Paul prayed for the Philippian believers, saying, ". . . that your love may abound still more and more . . ." (Phil. 1:9). There is someone around you that needs God's love, so we need to let love abound. Let us renew our spirit of love and missions this month, as a church, as believers, and as followers of the One who said, "I am come to seek and to save that which is lost."

World Missions Day is February 23rd. We will again have the opportunity to hear about what God is doing around the world and receive the annual Jerry Kidd Missions Offering. Thank you for being a church who loves souls and supports Missions!
